Technician Maintenance
Alysse Food

Dear Sir or Madam,

By the present, I am writing to you to express my interest in the maintenance technician position you have open on your company LinkedIn account. I am confident that my skill and previous experience would be a great match for this position.

I have strong skills by some project and training during my graduation. In my previous project, I was working in group to do an "Lego factory sort", by use embedded system, docker, and a website. I do some 3d modelling too for the projects or to help with parts that can't be found or are broken.

I am certain that my skills set would make me a great candidate for this position in your company. I appreciate your consideration. I hope I will have the opportunity to meet with you to discuss a possible future at your company. Please let me know if you have any further questions. You can see more information about me in my portfolio: "nexaco.ddns.net".

Sincerely,

Steven Yernaux
